BULLETIN

of the

MASSACHUSETTS RIFLE ASSOCIATION

Vol. VII, No 3, - February 1960

The next meeting of the Board of Directors will be held on Tuesday, March 1st, at 8:00 p.m., at the Club.

MEMBERSHIP IN THE NATIONAL RIFLE ASSOCIATION

In our last few bulletins we have mentioned the importance of our members being members of the National Rifle Association. We want to stress that point again! Quite a few of our members are members, and in order for your officers to find out the percentage of members against non-members, we are enclosing a post card questionnaire, which we hope you will check and put in the return mail. We want to know.

Your Board of Directors are going to make a concentrated push to have our members affiliate themselves with the National organization. For those who are not members, you might ask, "Why should I join, and what do I get out of it?"

Well, here goes - you asked for it!

At the present time there are more than 300,000 gun owners (hunters, shooters, etc., affiliated as members)..... the organization keeps you posted on any attempts that might be made to limit your right to own or use firearms..... your personal gun and shooting problems are solved by correspondence with the National office.....makes you eligible to purchase government surplus guns and shooting equipment at cost-to-government prices.....dozens of year-round recreational shooting programs are held, with shooting and hunting awards made..... a national classification system for target shooters....and many other worthwhile advantages PLUS - and it's the BIG plus - a subscription to the magazine - AMERICAN RIFLEMAN. Without a doubt, member or not, you have perused this grand magazine. Now it can be yours, along with all the other advantages for just \$4.00 a year. Is it easy to join? Sure - all you have to do is send your name on your check for the \$4.00 mentioned, to Secretary John Weiss, 100 Baldwin Avenue, Woburn, and YOU'RE IN! It's as easy as that! And your membership, along with the thousands of others, is what makes your hobby as a shooter worthwhile. JOIN TODAY - DON'T PUT IT OFF ANOTHER MINUTE!

THIS MUST BE SAID - Dues are due! If you have not as yet paid your 1960 dues, AND YOU CAN HELP now is the time to do so. Dues are the life-blood of an organization, and your check will be the blood we need. Please take care of this obligation at once and get your button. Remember - this button MUST be worn on your outer garments at all times while on the range. To make it easier for you, here's the treasurer's name and address

John F. Roberts,

32 Varnum Park,

Waltham 54, Mass.

ATTENTION - ALL MEMBERS

Be sure to register before you start to shoot; and please do not forget to put out all lights before you leave the range! And while we have your attention

may we remind you that the Eastern Massachusetts Rifle League matches will start the latter part of April, with all matches to be contested at Camp Curtis Guild, Wakefield. If you're interested in participating in these matches, let it be known at the Club. And Harold Thompson, who captains the Pistol team, has asked for more support. The members practice every Tuesday night at the Club, and if interested, you are welcome.

SOME O' THIS 'N THAT

President Pete Mattson wants to express his thanks to all who sent him cards and flowers during his stay at the hospital....

Let's all congratulate Harold Dingley who, we hear by the grapevine, was recently married. Lots of good luck!.... Mrs. Harold Thompson, who has been hospitalized twice in the last several months, is on the recovery road. Harold has not been too well himself. Our belated best wishes for speedy recovery.....Orris Gerrish, long time member, is now at the Kirby Rest Home, 50 Madison Street, Malden. Send him a card of cheer, or better still, stop in and visit him.....It might be well for us to give some thought to the improvement of our facilities. The days of the outdoor range may soon be a thing of the past, and our thinking must be along progressive lines. That's what population progress can do. But - give it some thought!...And don't forget to put the enclosed questionnaire card in the next mail. We'd like to have the information for our records.....and....Directors, don't forget the meeting on Tuesday, March 1st, at 8:00 p.m.... Oh yes, we have seven new members. They are: Henry Bucci, Ed Russell, Ed Bradford, Bill Both, Richard Dawson, Aley Butcher, and back with us is Doc Stetson. Greetings to all, and come up often!

The next meeting of the Board of Directors will be held on Tuesday, April 5th, 1960, at 8:00 p.m. at the Club.

COME ON, YOU SHOOTERS!

In our last bulletin we devoted considerable space to the importance of our members being affiliated with the National Rifle Association. We also included a questionnaire card which we asked you to fill out and return in the next mail. We did pretty well, but if you have not already done so, will you please drop the card in the mail today? Thank you!

....AND DUES ARE DUE

If you are one of the few who have not yet paid your dues, now is the time to take care of it, as the time is fast running out! Our Treasurer, John F. Roberts, 32 Varnum Park, Waltham 54, Mass. has your button ready to mail upon receipt of your check in the amount of \$11.90.

SOME O' THIS 'N THAT

Your good deed for the day might be a visit to Cap Gerrish, who is now residing at the Kirby Rest Home, 50 Madison Street, Malden. He will be happy to see you.....Notice the item in the Woburn Daily Times about the PAL Rifle Club - who hold their practice shooting at our Club range each Thursday night - made an impressive showing in a match with Rogers Memorial High School in Providence, Rhode Island. So much so that they have a standing invitation by the Providence Military College to a rifle shooting match.....Your Board of Directors again gave the 'green light' to Cub Pack #6, of Winchester, to hold their usual program at our Club rooms. If you would like to see real enthusiasm, come over on any Monday night. Their last meeting was attended by 23 Cubs, accompanied by eight fathers.....While mentioning the Board of Directors, you are reminded that any member is welcome to attend any Board meeting. Come to a meeting and be brought up to date on the complete operation of the business of the Association, which includes the Secretary's and Treasurer's reports.....There was considerable discussion on the proposition of a new club house and indoor range at our last meeting. Your Board of Directors will, in the near future, ask for your wishes on this subject. Think about it now.

WHAT'S ALL THE SHOOTIN!

On April 9 and 23, Saturday afternoon from 2:00 p.m. to 4:30 p.m., we will hold tryout matches in preparation for the Eastern Massachusetts Matches, Curtis Guild, Wakefield. Course of fire will be the same - two sighters, and twenty shots for record; any rifle, iron sights, 3 lb. trigger, telescope if you are 60 or over. Prizes will be 30.06 ammo., amount to be determined by the number of entries. Entry fee, \$1.00; place, M.R.A. If you are interested in shooting in the Eastern Mass. matches, it is important that you attend one of these tryout matches. The Annual Matches of the Eastern Mass. Rifle League will be held at Camp Curtis Guild, Wakefield on April 30, May 7, May 14, June 11 and June 18. If you are interested in shooting in these matches, please signify by registering your name on the blackboard at the Club, or contact Pete Matson. The teams will be selected from those who register. Ammo will be furnished. Prizes will be awarded for first, second and third place teams. Also B Division team if 20 or more entries.....Each member who wishes to shoot the qualification will be issued 60 rounds 30.06 ammo, which must be used for this purpose....Our Gallery Team will shoot off a tie for third place with Arlington on March 18. We need new shooters on the team, so if you are interested in this type of shooting, better start training for it now. November will be here again before we realize it. A few more shooters would make it possible to have a team in each division next season.....The State Pistol Indoor Championship will be held at the Eastern Club, in Lynn, on April 2nd and 3rd.The United Service Matches, at Curtis Guild, Wakefield, scheduled for July 21, 22 and 23, will be restricted to the use of M-1 Garands, with the exception of the Reising Match. At this early date there are only nine remaining reservations..... Five medals that belonged to our late member, Walter Wait, were brought to the Club by Harold Morrill, and are now on display in our Trophy Room.

A LAST THOUGHT

Have you sent your check for \$4.00, made out to the National Rifle Association, to our Secretary, John Weiss, 100 Baldwin Ave., Woburn? Can't think of an easier way to save a buck. The usual fee is \$5.00. This applies to present members, as well as new.

The next meeting of the Board of Directors will be held on Tuesday, May 3, 1960 at the Club.

HEAR! HEAR! If you have not yet paid your dues, better take care of it at once. The deadline is May 1st, and if dues are not paid by then, the member is automatically suspended and has no further privileges of the Club. The list of suspended members will be posted at the Club. DON'T BE ON IT!

REMEMBER to register the name of your guest in the register book when you bring a friend to the Club. This is very important. Please cooperate.

THE GALLERY LEAGUE Our Gallery team won the shoot-off for third place against Arlington and picked up five N.R.A. trophies in the process. John McDermott won a medal for high on the team, and J. Bullock, second high on the team. Incidentally, our team shot the highest score of the season in B Division in this shoot-off match. A new system will be tried out in the Gallery League this coming season. All teams will shoot in one Division, but with three classes using the Lewis System of scoring. Won't have to worry about averages any longer.

TRYOUT MATCHES Our first tryout match at the Club was on Saturday, April 9th. It was so popular that the members wanted to continue the shooting program every Saturday. So-o-o-o, we will give it a try and see how it works out. Everyone is welcome, so come up this Saturday, the 23rd, and enjoy the fun. From all indications, it looks as if we will have two teams entered in the Eastern Massachusetts matches. We need a few more shooters as alternates. Oh yes, our pistol team had a match with the Air Force team on Tuesday, April 12th. How did we make out? Well, we found out that more practice - much more - was in order!

AND NOW THERE ARE FIVE! A fifth child was born into the family of our Secretary, Jack Weiss on March 21st. Wouldn't it be nice if the Club could be represented in the Community Basketball League in the near future? Jack has the team!

A NEW CLUB HOUSE Your Board of Directors went on record in favor of building a new Clubhouse at their last meeting. A committee was appointed to work out the details. No doubt there will be a special meeting called in the near future, at which time all members will have the opportunity of expressing their wishes on this very important subject.

WHY NOT come up any Sunday and qualify? Free ammo is offered, and you get a chance to get some practice and meet your fellow members.

THIS 'N THAT The sale of the piece of land we sold on Route 128 has been completed, and we have been paid in full.... If you are the last one to leave the Club, be sure that all lights are turned off, and the oil burner also.... Have you joined the N.R.A. yet? There is no better time than RIGHT NOW! Contact the Secretary and he will take care of it for you promptly. Another leaflet of interest is included in this Bulletin..... Another match has been scheduled by the Pistol team. They are to meet the Tewksbury Club on April 26th.

SPRING IS HERE and the Gerrish Match can be fired on any Saturday, Sunday or holiday. Any .22 calibre rim fire rifle, any sights, any position, two highest ten shots strings to count. Ten cents per 10-shot string. Pete Matson says he hopes there will be more competition this year - it gets monotonous winning it year after year!

NOTE THIS CHANGE The Massachusetts Civilian match usually shot at Curtiss Guild at the United Service Matches, will be shot at the Reading Club on May 22nd. Course of fire will be 20 shots at 200 yards, N.R.A. standing. Any rifle with metallic sights, not containing glass. No Schutzen buttplates, palm rests or hooks allowed. Entry fee, \$1.00. Contact Bob Johnston for more information and registration.

The next meeting of the Board of Directors will be held on Tuesday, June 7th, 1960, 8:00 p.m. at the Club.

SURVEY Mr. Olson, the surveyor we engaged to survey the property last fall, has completed the job. We came out better than most everyone expected! We now have 42 acres, (+ or -). The cost to the Club was \$1960., which was also better than was expected.

We all owe a vote of thanks to our recent new member Hank Bainbridge, who kindly volunteered to make up six extra copies of the plan of the property. You will enjoy meeting Hank.

OUR APOLOGIES.... for being late in getting the last bulletin to you. It seems this class of mail takes much longer to get through the Post Office. We were to blame, not the printer.

TRY-OUT MATCHES Our second Try-Out Match was a success; we had a total of 23 entries in the two matches and everyone had a good time. The lucky prize winners were, A. White, K. Perry, J. Holden, Pete Matson and R. Tarbox.

We have three teams entered in the Eastern Massachusetts Matches at Curtis Guild. We can use a few more shooters to fill in for the absentees. Three more matches remain - May 14, June 11, and June 18. This series of Matches is more popular each year. 32 teams competed in the last Match. Our A team was #13, B Team, #29, C Team, #30. Our B and C Teams could have made a much better showing were it not for two absentees.

PLEASE - - TURN OFF THE LIGHTS IF YOU ARE THE LAST TO LEAVE THE RANGE!!!

MOONLIGHT MATCHES The Moonlight Matches at North Reading start on Wednesday, May 11th and continue each Wednesday Through September 21st. These matches are well attended, and really test your stamina.

THE MASSACHUSETTS CIVILIAN RIFLE MATCH This match was formerly held during the United Service Matches in July, but this year it will be held at the Reading Rifle and Revolver Club range, Haverhill Street, Reading, on SUNDAY, MAY 22, 1960 from 8:00 a.m. to 1:00 p.m.

The course of fire will be 2 sighting shots, and 20 shots for record, 200 yards off-hand, "A" Target, with V Ring, V's to count. It is open to all civilians and members of the Eastern Mass. Rifle League. The entry fee is \$1.00. Advance entries will be squadded. Post entries will be accepted subject to range limitations. Entries close at 12:30 p.m. Any rifle with metallic sights not containing glass may be used. Schutzen butt plates, palm rests or hooks NOT allowed. The Eastern Mass. Rifle League is donating the awards for first, second and third places. There will be awards for first place in Class B and Class C, as determined by the Lewis System. Special Award for High Lady: Custody of the Jennie McNeill Ham Trophy, presented by Ralph McNeill in memory of his sister. An award for permanent possession. Send entry blank and \$1.00 to Mrs. Eleanor N. Johnston, 29 Pitcher Ave., Medford 55.

HEAR, HEAR! Pete Matson really performed a miraculous feat on Sunday, May 1st, when he posted a 10 X possible on the Gerrish Match. Who would believe that the 22 long rifle cartridge with such an extremely high trajectory is capable of shooting 10 consecutive shots into a 2" circle at 200 yards? Pete says that quite a few of the members have the necessary equipment to duplicate this feat with a little more concentration.

SICK LIST: You will be glad to hear that our popular member, Randall Smith, is improving as well as can be expected after a severe attack of some sort of ailment that seriously affected his eyesight. We sincerely hope your recovery will be more rapid from now on, Randy!...Joe Holden has had a bout with the virus, but is now on the road to recovery. Will be glad to see you around again, Joe!.... Cap. Gerrish can neither see nor hear very well, but he does enjoy having someone to talk to. His address: Kirby Rest Home, 50 Madison Street, Malden. Best wishes to you, Cap!

NEW MEMBERS: A welcome to James Ramsay and Jack Mardigian. Good shooting!

The next regular meeting of the Board of Directors will be held on Tuesday, July 5, 1960, 8:00 p.m. at the Club.

BY-LAWS Your Executive Committee, after many meetings and hours of deliberation, has completed the task of combining our two sets of By-Laws into one, a copy of which will be presented to the Board of Directors for approval at a special meeting this month.

After this necessary formality, there will be a meeting of the entire membership, at which we sincerely hope you will make a point to be present. This will be a very important meeting, as it concerns each and every one of us.

You will be notified of the time and place later.

SAFETY At our Board meeting in May, it was decided that more height and width was necessary at our 200 yard backstop.

A contractor was engaged to do the work and this project is now completed.

Our shooting activities are now more safe than they have been for a long time. "The higher a mountain is, the more difficult it becomes to shoot over it!"

REGISTER It is very important that you register your name and also the name of your guest before you start to shoot. Failure to comply is a violation of Club rules. We hope we will not be compelled to impose penalties.

MATCHES Your Range Committee has set up a schedule of sixteen (16) matches, the first of which is on June 26th, from 9:00 a.m. to 4:00 p.m., the conditions of which are as follows:

22 R.F. - Any sights - 200 yards - Prone - Small bore target,
5 sighters - 50 shots for record. Entry fee - \$1.00

You can get a copy of a complete program of these matches at the Club.

HOTSHOTS Eldridge Kidder is shooting some fabulous groups with his 30-06, on which he recently had a new barrel installed.

On Sunday, May 12th, he shot a five-shot group at 100 yards that measured less than 1/4"; and followed this feat with a ten X possible at 200 yards.

His ammo was all his own make with lead bullets which he cast himself.

SICK LIST Cap Gerrish just celebrated his 93rd birthday, and enjoys the visits and cards from the various members who find time to think of him. The Board of Directors made him a present of an electric razor..... Randy Smith continues to improve slowly, although he can not yet drive his car.

OUR NEW MEMBERS We welcome as members, Francis McCue, Maurice Negrini and Dudley B. Hartung. Greet 'em when you meet 'em!

IMPROVEMENT SHOWN On Sunday, July 10th, we had a good turnout at the Club. Eighteen members were present, which is better attendance than we have had for some time. Come on up, it's your club!

.....and don't forget the meeting on July 26th. You'll hear from us again before that meeting.

BULLETIN
of the
MASSACHUSETTS RIFLE ASSOCIATION
Vol. VII, No. 8 - August 1960

The next meeting of the Board of Directors will be held on Tuesday, September 6, 1960, at the Club.

A THANK YOU The Work Committee did a good job on the brush and grass cutting project at little cost to the Club. Last year this same project cost the Club in the neighborhood of \$90.00. This year, thanks to the efforts of Jimmy Smith, Arthur White and Hank Bainbridge, the cost to the club was \$14.40. Our Club is indeed fortunate to have such loyal members.

The Range Committee, too, is very pleased at the response to the various projects listed on the blackboard. Thanks a million to Jimmy Newman, Arthur White, Jimmy Smith, Hank Bainbridge, and all others who contributed to the various projects.

MATCHES On July 17th, we held our 85th Anniversary Shoot at the Club. There were fourteen entries. Doc Stetson won the match with a score of 626. Ken Perry was second with 614, Frank Palumbo was first in B Division with 527 and Jim O'Neill was second with 523. Others who shot were Dick Wong, 611, A. White, 559, Pete Matson, 538, Frank McCue, 537, Hank Bainbridge, 530, Joe Smith, 518, Jim Newman, 492, E. M. Kidder, 469 and Jack Weiss, 236. Jack had tough luck with his rifle and could not finish.

The Danforth Match, which was rained out on the 30th, was shot on August 6th. There were seven entries. Pete Matson was first with 286-8, Jack Weiss, second, 282-3, Bill Cullen was first in B with 275-4, Hank Bainbridge, second with 273-3. Others who shot were Arthur White, 280-7, Ken Perry, 272-2, and Frank McCue, 247-3.

On Sunday, August 7th, we shot the Four-Position Match. There were seven entries. Dick Wong was first with 386-15, W. Higgins second with 372-9. Frank Palumbo was first in B with 331, Arthur White, second, 330-3. Others were Dick Tarbox, 356-6, Hank Bainbridge, 319-3, and Jack Weiss, 294-2. We expect the medals for the lucky winners some time this month.

Your Range Committee is quite disappointed at the lack of interest of the shooting members of the Club towards our match program. The success of any Club program is dependent first on the member participation. They suggest that you read the following at least twice.....

WHICH ARE YOU

Are you an active member, the kind that would be missed,
Or are you just contented that your name is on the list?
Do you attend the matches, and mingle with the flock,
Or do you stay at home and criticize and knock?
Do you take an active part to help the work along,
Or are you satisfied to be the kind that "just belong?"
Do you ever go to visit a member who is sick,
Or leave the work to just a few and talk about the clique?
There's quite a program scheduled that I'm sure you've heard about,
And we'll appreciate it if you will come and help us out.
So come to the matches often and help with hand and heart,
Don't be just a member, but take an active part.
Think this over, brother, you know right from wrong,
Are you an active member - or do you just belong?

There are eleven matches remaining to be shot, and no doubt some of them will be right down your alley. You can get a complete copy of the schedule at the Club!

F-L-A-S-H!! F-L-A-S-H !! The medals have just arrived from Blackington. They will be awarded at the Cook-Out (mentioned below) to the lucky winners!

REPAIRS NEEDED The Rangekeeper's quarters are badly in need of painting and papering. If there are any of our members who can do this kind of work, please get in touch with Pete Matson at once.

THE COOKOUT On Sunday, September 11, 1960, your Entertainment Committee will put on a Cookout at the Club. The menu will include half barbecued chicken, native corn on the cob (if available) tossed salad, bread and rolls, butter, coffee and ice cold watermelon. For those who don't care for chicken there will be sliced Virginia baked ham with potato salad. Free tonic for the children. We eat at 2:30 p.m. The cost • Adults, \$2.50; children, 50¢ There will be games for the children with prizes and liquid refreshments will be available at the club at a nominal fee. This event will be held RAIN or SHINE! Send the enclosed card back no later than September 3rd, with remittance.

OUR ANNUAL MEETING

Our Annual Meeting for the election of officers and directors and such other business as shall properly come before the meeting, will be held at the Club on Tuesday, October 4th, 1960, at 8:00 p.m.

The Secretary and the Treasurer will make complete reports at this meeting. During the past year your Board of Directors has seen fit to approve a program of greatly increased activity in the shooting program of the Club. Your Range Committee has set up a program of 17 matches, 11 of which have already been shot. Thirty-eight medals and awards have been presented to the participants of these matches.

In addition, activity in the Gerrish Match, and the Knight Trophy Match, has been greatly increased over previous years. At this writing, this program has had the effect of greatly increased interest on the part of not only our present members, but non-members as well who have competed in this program. Without question, this program will attract new members to our Club. Four new applications were presented at the last Board meeting.

This is a VERY IMPORTANT MEETING to you and Your Club. As a voting member, it is not only your right, but your duty to signify by your vote whether or not you approve of this program.

Mark the date on your calendar - October 4, 1960 - 8:00 p.m. Please be present

....AND THE RAINS CAME

On Sunday, September 11th, the Entertainment Committee put on a cookout at the Club grounds. In spite of the bad weather (it rained cats and dogs), we had a very good attendance - 41 adults and 39 children. Everyone had a very good time and enjoyed a delicious dinner prepared by our very capable Entertainment Committee. We put on games and contests for the children, and awarded prizes, of which we had plenty. Whitey Kruger, of Whitey's Sportland, 305 Broadway, Arlington, very kindly donated three very nice prizes. Whitey is a very loyal member of our Club. Congratulations and 'thanks a million' to all who contributed to this very successful affair.

THE GALLERY LEAGUE

Once again it is time to organize our Gallery Team. If you are interested in taking part in this series of matches, please contact Pete Matson at once. The date of the first match has not yet been announced, but no doubt it will be in the early part of November. This does not leave us much time for practice. If you're interested, we'd like to have you.

PISTOL TEAM

We have organized a pistol team this year and have entered the Class D Division of the Greater Boston Pistol League. Of course, we need more members to participate in this activity as members of our team. The first match is to be held on October 18th. Any interested shooters please contact Richard Dawson, 27 Evergreen Avenue, Bedford, or Jack Weiss.

OUR MATCHES

On August 13th we shot the Davis Cup Match, which turned out to be the most successful of the series so far. There were 17 entries. The match was won by Bob Johnston with a score of 48-5. Charlie Button, one of our target boys, was second with 46-1. Frank Palumbo was first in B with 41-2, and Jack Weiss was second with 39-3. THE PISTOL TEAM FINALLY WON A MATCH - THEIR FIRST. The Parkway Club was the victim. Now that you've started, let's keep on.

GALLERY RIFLE AND PISTOL MATCHES

Your Range Committee has set up a schedule of Rifle and Pistol Re-entry Matches to be run from October 1960 through March 1961. These matches will be for members only, and we hope they will prove to be very popular. A complete schedule will be posted on the bulletin board of the Club.

INCIDENTALLY..... Members of the Pistol team practice every Tuesday night.

L E A R N T O S H O O T

(A reprint of an article in the September 1960 issue of "Precision Shooting", taken from an editorial appearing in the Rutland, Vermont, Herald. It is to the point, sensible and sound.)

"Those who are trained to use firearms properly know how to use them so that they and others will be safe. They will also get more game, if they know how to shoot, and if they know how to shoot only when they can see and identify what they are shooting at."

That is saying a lot in a few words. Newspaper editors are sensible people--they have to be. Probably many of them have little if any personal familiarity with firearms and their use. If it may be explained to them that training in the use of firearms, and practice with them to develop skill in their use, is of the same importance as is proper training and practice in the driving of an automobile, and in each case, understanding of the implement gained from training and skill in use developed by practice contributes to the safety of both the user and others, they should be able to see the point. It then should not be too hard to convince them that some editorial promotion for firearms training is a public service and within their service traditions.

An anti-firearms sentiment among the general public is just as harmful to we crazy target shooters as to any other section of the shooting fraternity, and we should each accept a personal responsibility for having our case fairly presented in the court of public opinion.

SAFETY RULES

There have been various infractions of the Club safety rules recently.

The rules are simple and to the point, and easily understood. Please read them and make yourselves and your guests acquainted with them. They are plainly posted in the Club room and the Gallery rooms.

QUALIFICATIONS

Present conditions are such that it is too late for outdoor qualifications. There is still a little time left for those who wish to

qualify on the indoor range.

This may come as a surprise to some of our members, but the true facts are that the amount of ammo. available to the Club, and consequently each member, depends on the number of qualifications. Is your name on the list??

RICOCHETS

Frost in our backstops contributes to the serious hazard of ricochets.

Before participating in any outdoor pistol or rifle shooting, please check with the Rangekeeper. He will give you the O. K. if conditions are safe.

M.R.A. - PEARL HARBOR

Did you by chance happen to be tuned in on the Documentary Program on Channel 7 at 8:00 p.m. on December 7th? Our

popular member, John Bullock, was a Chief Petty Officer on one of our ships at Pearl Harbor on that day of infamy, and gave a vivid eye witness description of the entire action.

IN SPITE OF THE PRESENCE OF MANY NOTICES POSTED THROUGHOUT THE CLUB, THERE ARE STILL SOME MEMBERS WHO NEGLECT TO REGISTER BEFORE SHOOTING. WE HOPE IT WILL NOT BECOME NECESSARY TO IMPOSE PENALTIES FOR THIS INFRACTION OF THE RULES.

GREETINGS

Your President wishes to take this opportunity to wish all of the members and their families a

HAPPY HOLIDAY AND A
PROSPEROUS NEW YEAR!!!

The Target Boy
